

Triad strict-CI win extends from d=7 to d=9 at operational rates — but PM wins at p=0.015 (above threshold)

100K shots / point. PFWL3S-H256-d9 loses to Lange individually at every rate, but the Triad strictly beats Lange at p=0.007 (25 bp) and p=0.010 (204 bp).
